

OFFICE FOR YOUTH FAITH FORMATION
SCHOOL YEAR 2007/2008

PLEASE READ CAREFULLY

This year we have decided to give the teachers the opportunity for training without having to give more time from their busy schedules. We are also extending this opportunity to new people who might like to give time but feel incompetent to teach.

Therefore, we are delaying the beginning of classes (except for the second year Sacrament Preparation Classes) until January 2008. This way instead of teaching the class they will be attending training classes during the class time in the Fall, 2007. This will be for the one year only.

You will register your students between June and October 2007 so that the necessary classes can be scheduled and rooms can be reserved. Those students in their second year of preparation will attend classes beginning in October, 2007 on Sunday Morning, Tuesday Evening and Wednesday Afternoon as before.

Please bear with us during this one year of training. Our Pastor, Father Pat and I feel it will be very beneficial for the program in the future and so are willing to set aside this time.

Don't forget registration for ALL classes begins in June 2007.

Thank you,
